May 6 3-8pm  
May 7 9am-4pm

The Food Bank's new garden facility, the Evelyn Davenport Navarre Teaching & Enabling Garden is now in its second year of operation. We have had some great garden workshops this spring & have many more scheduled. Thanks to all of the folks who have attended the classes. We would love to have your input on what kinds of classes you would be interested in taking. Our annual spring plant sale is coming up the first weekend in May. Please join us on Friday evening, May 6 for light refreshments & a tour of the facility. We will have herbs, vegetables, annuals, perennials, succulents, native plants, ground covers, cutting garden plants, cottage garden plants, plants for sun & shade. The 24th Annual Spring Garden Tour, coming up June 4 & 5, will feature 5 private gardens in Hixson, Brainerd & Ooltewah this year. And we are really excited to have St. Alban's Community Garden in Hixson on the tour this year as our public garden. The gardens this year really showcase a wide range of different gardening styles, from expansive & mature to quaint & intimate. Please look for your garden tour brochure in the mail in early May. Have a wonderful spring!!

# Upcoming Events

## Planting Warm Weather Veggies Workshop

Wed, May 4 10-11am

Demonstration in teaching garden on planting warm weather crops, tomatoes, peppers, okra, beans, and herbs. Warm weather vegetable & herb plants will be available for purchase. Will also receive some warm weather seeds like okra, beans & corn as part of class fee. CEU Credit. Cost: \$5.

## Composting Workshop

Wed, May 11 10-11am

Learn the basics of composting, how to create your own compost, & Why it is so good for your vegetable garden.  
• Class led by Master Gardener Bud Hines. Instruction & Demonstration. CEU Credit. Cost: \$5.

## 24th Annual Spring Garden Tour

Sat, June 4 10am-6pm, Sun, June 5 1-6pm

Celebrate the season with a leisurely stroll among perennials, herbs & native wildflowers. We have five private gardens in Hixson, Brainerd & Ooltewah on the garden tour this year. The gardens offer ideas on how to use sculpture & artifacts, water features & stonework. And we are very excited to have St. Albans Community Garden in Hixson on our tour this year!
