Upcoming Events

Backyard & Vermcomposting Workshop Saturday, October 8 10am-Noon

Master Gardener Bud Hines will show how to turn brown leaves into black gold by converting available recyclable yard & garden materials into inexpensive, rich soil amendments. Matt Thompson of Thompson Worm Farm will show how to set up & maintain a worm composting system to produce soil enhancing worm castings & compost tea. Master Gardeners can take this class for CEU credit. Cost: \$5

Rain Garden Expansion Work Days Thurs, Oct 6 & Fri, Oct 7 9-11am

We are expanding our rain garden with another generous grant from the Junior League Garden Club. Come out & help us prepare the site for planting & learn about the environmental & sustainable benefits of rain gardens.

Upcoming Events

Fall Planting Workshop

Saturday, October 15 11am-Noon

Perennials, biennials, shrubs, trees, hardy annuals, cool weather veggies & herbs are all ideal to plant in the fall. Learn why & we'll have a great selection of plants to purchase as well. Free Workshop. Master Gardeners can get CEU credits for this class.

Fall Plant Sale

Saturday, Oct. 15 9am-4pm

Perennials, Biennials, cool weather vegetables & herbs, hardy annuals will be available to purchase. All plant sale proceeds go to support the educational programs of the teaching garden.

Wine & Cheese Tasting on the Bluff

Thursday, October 27 6-8pm, Bluff View Art District Sculpture Garden

Come & enjoy the change of seasons at one of downtown's most scenic vistas. Bluff View Sculpture Garden overlooking the Tennessee River will host a wine & cheese tasting to benefit the Food Bank's Garden program. Sample heavy hors d'oeuvres along with local wines & cheeses appropriately paired by Bluff View's wine director Michael Vasta. Tickets are \$45 (\$25 is tax deductible). Call 847-9116 for reservations.

Contact jmauldin@chattfoodbank.org to register for classes
